If your Back hurts or Bladder bothers you, drink lots of water

Thickens, Beautifies

When your kidneys hort and your back feels sore don't get scared and proceed to lead your stomash with a lot of drugs that excite the kidneys and irritats the entire urinary track. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 300 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys cive. Drink lots of water—you can't drink too much; also get from any pharmacist about four ounges of lad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the soid of grapes and lemon luice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urbue so it is no longer a source of britistion, thus ending bladder washiese.
